

St. Mary's Welcomes...

Michael Matos the latest addition to the St. Mary's Palliative Care Team. Michael graduated from the Swedish Institute in 2009 combining his love for neurology, psychology, and health into a career as a Massage therapist. With over 10 years of experience in the Medical Massage field, he is excited to bring his skills and passion to help the children at St. Mary's Hospital for Children.

Michelle Punnette, BSN, MSN back to St Mary's as the Assistant Director of Nursing of our 2 Children's' Unit. She is not new to St Mary's however, she had left St Mary's in 2019 to gain experience in the acute care world. During the beginning and throughout the COVID 19 pandemic, she served as an Assistant Head Nurse at Jacobi's PICU. Since then she has also completed her Masters' in Community/Public Health Nursing from CUNY Hunter College. We very pleased that Michelle has chosen to join St Mary's Nursing Administration team.

Congrats!

Clothing Reminder - Summer Is Here!

As we move into summer, we ask that families exchange any winter clothing for clothing more appropriate for the warmer summer months. Please contact your child's unit Social Worker to make arrangements.
