Where big hearts help little patients

Dear Friends and Supporters:

I would like to take this opportunity to thank you wholeheartedly for your participation and support of the 2023 Annual ***Big Hearts Walk and Family Fun Day for St. Mary's Kids***. Together as friends, donors, volunteers, and staff of **St. Mary's Healthcare System for Children**, we impact the lives of the kids and families we serve every single day.

As the largest provider of long-term care for children with complex medical conditions in New York State, St. Mary's provides a continuum of care, treating children throughout the New York metropolitan area through a network of inpatient, home-care, and community programs and services—regardless of their ability to pay. We are one of the few places in the country where kids with special needs and complex medical conditions can receive intensive rehabilitation, specialized care, and education.

St. Mary's is a lifeline for children like these throughout New York. Your support enables us to meet the growing needs of our service population and develop exciting new and innovative treatment approaches that give children hope for a future that once would have seemed impossible to achieve.

Thank you for your continued loyalty and generosity. We hope that you enjoy the Big Hearts Walk and all the day has to offer.

Sincerely,

A handwritten signature in black ink that reads "Sean Lally". The signature is fluid and cursive, with a large loop at the end.

# MAKING A DIFFERENCE HONORING

**Mark Boccia**

Owner of Bourbon Street

Mark Boccia has been a fixture in the Bayside community for over 30 years, as the Owner of the popular Bayside restaurant Bourbon Street, in addition to several other local restaurants and real estate development projects. Mark is an active and dedicated member of his community through his involvement in the Flushing Rotary Club, Queens Chamber of Commerce, Bayside BID, and Bayside Business Association. Mark has contributed tremendously to St. Mary's, especially during the pandemic, when he provided restaurant-quality meals to our frontline healthcare professionals and first responders.
