Where big hearts help little patients

St. Mary's Healthcare System for Children is committed to improving the health and quality of life for children, young adults, and families with medical complexity and special healthcare needs.

We provide a continuum of care to children and young adults with special needs and life-limiting conditions and pave the way in pioneering pediatric post-acute care. New York's largest and most experienced provider of long-term care to children with medically complex conditions and New York City's only post-acute care facility for children, we're recognized around the world for the breadth of our services and the depth of our commitment.

At St. Mary's Healthcare System for Children, we aim to give our kids and their families more than they had dreamed possible.

Dear Friends and Supporters:

I would like to take this opportunity to thank you wholeheartedly for your participation and support of the 2022 Annual Big Hearts Walk and Family Fun Day for St. Mary's Kids. Together as friends, donors, volunteers, and staff of St. Mary's Healthcare System for children, we impact the lives of the kids and families we serve every single day.

As the largest provider of long-term care for children with complex medical conditions in New York State, St. Mary's provides a continuum of care, treating children throughout the New York metropolitan area through a network of inpatient, home-care, and community programs and services—regardless of their ability to pay. We are one of the few places in the country where kids with special needs and complex medical conditions can receive intensive rehabilitation, specialized care, and education.

For children like these throughout New York, St. Mary's is a lifeline. Your support enables us to not only meet the growing needs of our service population but to develop exciting new and innovative treatment approaches that are giving children hope for a future that once would have seemed impossible to achieve.

On behalf of all of us at St. Mary's, thank you for your continued loyalty and generosity. Our special kids and their families deserve the best and you certainly deliver. We hope that you enjoy the Big Hearts Walk and all the day has to offer.

Sincerely,

MAKING A DIFFERENCE HONORING

DAVID CLARKE *Healthcare Commercial Banking & Senior Relationship Manager of Mt&T Bank*

St. Mary's will honor David Clarke, Healthcare Commercial Banking & Senior Relationship Manager of MT&T Bank, as the Big Hearts Walk Honoree for his contributions to raising awareness and funding for critical programs for children with special healthcare needs.

David is a Senior Relationship Manager with M&T focusing on healthcare and not-for-profit clients. He has been with M&T since 2011 and collectively has over 30 years of experience in banking, including Bank of New York, HSBC Bank USA, and TD Bank.

David's focus is on structuring taxable and tax-exempt credit solutions for various clients, including acute care facilities, long-term care, assisted living, social service organizations, religious organizations, and other not-for-profit organizations. "St. Mary's is incredibly grateful for the immense positive impact that David has made in the lives of some of New York's most medically complex children," said Dr. Edwin Simpson, President and CEO of St. Mary's Healthcare System for Children. "We can't think of a better honoree for our annual Big Hearts Walk and we highly encourage all who are able to sign-up to walk with David on June 12th."

David sits on the Board of Trustees for Maria Regina Residence, a 188-bed skilled nursing center located in Brentwood, Long Island. He is the President of the Board of Trustees for 14 Beekman Place Corporation and holds a BA degree from St. John's University. David served in the United States Air Force (1985 – 1988).

David has been a consistent presence in the lives of the children at St. Mary's Healthcare System for Children, and we look forward to walking with him on Sunday, June 12th, at The Big Hearts Walk for St. Mary's Kids.
